OBJECT: Wapro sleeves

Good morning,

hereby we certify that the shrinkable sleeves produced by WAPRO company, which samples we tested in our labs, are suitable to be used with the fittings of e-PRESS and EUROGAS range.

The verified dimensions and application references are detailed as follows:

- sleeve size 25.4 / 12.7 mm, fits for DN12
- sleeve size 38.1 / 19.1 mm, fits for DN 15 and DN20
- sleeve size 50.8 / 25.4 mm, fits for DN25

Company EUROTIS srl assumes no responsibility in case the sleeves are used improperly
